

## OUR MISSION

To provide clinically excellent care and early intervention autism therapy to improve the quality of life for the families we serve by helping each child realize and maximize their God-given talents.

## OUR PURPOSE

To serve Medicaid recipients in our community by living the commandment to love one another, regardless of religion, race, political affiliation, gender, sex, or creed.

## OUR VALUES

Our core values are the foundation for our dedication to integrity and clinical excellence. Our values provide the guidelines for our policies that support compliance with all federal and state healthcare program requirements and the highest quality care delivery for the families and children we serve.

- Choose the right attitude, message, and priority.
- Be accountable for all thoughts, words, and actions.
- Embrace and drive change. Pursue growth and learning.
- Demonstrate humility and servant leadership.
- Select great people, treat them with respect, help them, and communicate effectively.
- Celebrate small successes on our journey to greater success.
- We are here for those we serve and for each other. Be passionate about what we do. Be innovative and efficient in everything we do.

## OUR COMMITMENT

To care for children on the autism spectrum with the same level of dedication and compassion we would provide for our own children through family-centered principles that demonstrate dignity and respect.

*Love one another. As I have loved you, so you must love one another. (John 13:34)*

*Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." (Matthew 19:14)*
